

STATEMENT OF PURPOSE

RS22636

This legislation authorizes the legislative council to appoint a committee to review laws, rules, regulations, mandates, oversights, judicial interpretations and other decisions coming from the federal government. The committee would review issues pertaining to the Legislative Oath and the Bill of Rights of the United States Constitution. The oath requires that legislators "Support and Defend the Constitution and Laws of the United States and of the State of Idaho." The question is whether many federal laws are authorized by Constitutional authority or should rightly fall under the authority of the State of Idaho.

FISCAL NOTE

The fiscal impact would be \$10,000.
